SOCIETY OF ENVIRONMENTAL TOXICOLOGY AND CHEMISTRY

Dear colleagues!

THE ORGANIZING COMMITTEE OF VI INTERNATIONAL CONFERENCE ON AQUATIC ECOTOXICOLOGY
ANTHROPOGENIC IMPACT ON AQUATIC ORGANISMS AND ECOSYSTEMS
and educational seminar for young scientists, postgraduate and undergraduate students,
**MODERN METHODS TO ASSES THE STATE OF SURFACE WATERS UNDER
ANTHROPOGENIC LOAD,**

dedicated to 80 years of Doctor of Biology, Professor Boris. A. Flerov

cordially invites you to attend the conference to be held on September 14-18, 2017.

To define the venue and lodging options (as it is supposed now, either Uglich or Borok) please address your preliminary applications to the Conference secretary Mrs. Irina V. Chalova at toxic2017@ibiw.yaroslavl.ru . Please, do this before February 15, 2017.

The intended scientific issues of the Conference are as follows:

- Fate, bioavailability, biotransformation and bioaccumulation of pollutants;
- Biochemical, physiological and behavioral responses of aquatic organisms to anthropogenic impacts;
- Structural and functional characteristics of hydrobionts' populations and aquatic ecosystems under anthropogenic load;
- Biomonitoring and assessment of ecotoxicological state of waterbodies and the problems of ecological norming.

The conference official languages are Russian and English
