I. D. Papanin Institute for Biology of Inland Waters  
RUSSIAN BOTANICAL SOCIETY

---

**FIRST CIRCULAR**

The IX International Conference on Aquatic Macrophytes «Hydrobotany 2020» dedicated to V.G. Papchenkov, will be held in 16–20 October 2020 in the Papanin Institute for Biology of Inland Waters Russian Academy of Sciences which is situated on the bank of the Rybinsk Reservoir (the region of Upper Volga, Yaroslavl'skaya oblast, Central Russia).

Themes of the Conference:

- aquatic flora and vegetation;
- structure, dynamics and productivity of macrophyte plant communities;
- traditional and molecular taxonomy, phylogeny of aquatic plants;
- biology and ecology of aquatic macrophytes;
- environment-forming effect of macrophyte plant communities;
- protection and rational use of aquatic plants;
- others aspects of applied hydrobotany.

More detailed information about conference, requirements for the design of reports, registration fee, accommodation and other information will be sent in the Second Circular in November–December 2019.

We kindly ask you to fill out the registration form posted on IBIW RAS website until November 15. Registration form: <http://ibiw.ru/index.php?p=conf&id=58&lang=en>

Working languages will be Russian and English.

Please send this information for all interested persons.

With suggestions and questions, please contact: [hydrobotany@ibiw.ru](mailto:hydrobotany@ibiw.ru)

Working group:

Alexander Vitalyevich Krylov, PhD, Dr. Sci (head),

Alexander Grigoryevich Lapirov, PhD,

Alexander Andreevich Bobrov, PhD,

Eduard Vitalyevich Garin, PhD (secretary).
